

AllerGuard+

Protection From Sleep Allergens

www.cmctextiles.com

Sleep Better. Breathe Easier. Live Healthier.

AllerGuard Technology Fabric is an Advanced Allergen-Protection Solution Designed to Create a Cleaner, Healthier Sleep Environment. Engineered With Bio-Based and Probiotic-Inspired Innovation, AllerGuard™ Actively Helps Reduce Common Household Allergens Such as Dust Mites, Pet Allergens, and Other Microscopic Irritants That Can Disturb Sleep Quality.

AllerGuard Technology Fabric supports healthier sleep without chemicals, sprays, or added effort—making it ideal for families, allergy-sensitive individuals, and wellness-focused consumers.
