

# SERIQUE

The Art of Silk-Inspired Comfort

[www.cmctextiles.com](http://www.cmctextiles.com)

**SERIQUE** is a next-generation mattress fabric finish designed to deliver a silky-cool, ultra-smooth hand feel while maintaining high durability and performance standards. Inspired by the natural softness of silk, Serique enhances the sensory appeal of mattress fabrics — making comfort noticeable from the very first touch.

- Silk-inspired smooth & luxurious touch
- Biobased, eco-conscious formulation
- Silicone-free finish
- Skin-friendly & non-irritant
- Maintains breathability & moisture management
- No impact on fabric strength or color
- Wash durability up to 5–20 washes
